

# What is black and white?\_Picture Walking Script

## Cover

Let's look at the cover!

What can you see on the picture?

I see a bird.

What color is this?

This is black.

Today we will talk about the colors black and white.

The title of today's book is, 'What is black and white?'

Written and illustrated by Petr Horacek.

## Page 1-2

Is this day or night?

It's night.

How do you know that?

It is black, and that's why it is night.

It is black, and that's why it is night.

Look at the stars.

These are shining brightly in the night sky.

## Page 3-4

Have you ever seen the snow falling from the sky?

What do you like to do with snow?

Do you like to make a snowman?

Look at the snow!

What color is this?

This is white.

## Page 5-6

Look at the cat!

It says meow, meow!

Cats come in many different colors.
